

July 9, 2009

Commissioner Roger Goodell
National Football League
280 Park Avenue
New York, NY 10017

Dear Commissioner Goodell,

Reports are that dog-abuser and convicted felon Michael Vick, will be released from his home confinement on July 20th. Newspaper reports quote you as saying "Michael Vick has paid a significant price for doing an "egregious thing" and will have to show genuine remorse and that the experience has changed him in order to get a chance at resuming his career in the NFL league."

Let me remind you of some of the details about dog-abuser Michael Vick's brutal conduct. According to a United States government report Vick found dog fighting "funny to watch" and, proving that he is no better than a savage, actually threw family pets in the ring with pit bulls and watched the trained killers injure or kill the helpless dogs-so a witness told federal investigators during the dog fighting investigation that brought Vick down and deservedly sent him to prison. Vick also tortured his dogs by burning, hanging, drowning, electrocuting and stomping to death animals that didn't fight well. That's the kind of reason ISAR has taken it upon ourselves to lead the fight against Vick profiting from the celebrity he acquired by being a savage abuser of dogs.

ISAR has been circulating widely our petition "[Don't Let Michael Vick Benefit By Abusing Dogs](#)". Each time ISAR learns that Vick is about to benefit from his criminal "celebrity," we send our "[Don't Let Michael Vick Benefit By Abusing Dogs](#)" Petition to everyone who's trying to help him. To date, we have received thousands and thousands of signatures.

No matter how Vick tries to cash in on his criminal "celebrity," he must be stopped--*because every benefit he obtains once released from home confinement will be derived not from his former football stardom, but from the publicity he received from his criminal abuse of dogs.*

Because of his criminal conduct and immoral behavior Michael Vick should be shunned by decent people and no reputable individual, company or other organization, including the NFL, should in any manner benefit him.

Sincerely,

Susan Dapsis
President
